

# Sunranges *Business Collective*

## Sunranges Business Collective Membership Criteria

- Only one business per professional category will be offered a membership position unless the current member in that category agrees to the applicant representing a specific sub section of that category that they themselves do not service.
- All members must first be members of the Sunbury Business Association (SBA) which has its own membership fee of \$60 per annum. This is because we are registered under the SBA for all legal, insurance and reporting purposes as a not for profit organisation.
- Membership of the SBA does not guarantee membership in the Sunranges Business Collective as membership is limited by one member per business category.
- All members must commit to attendance of meetings, one on one catch ups with other members and demonstrate an understanding of the expectations of membership within the (Group Name).
- All members are encouraged to act in a collegial way. Farming, not hunting!
- Memberships are limited to businesses servicing and operating within the Hume and Greater Sunbury Regions.
- Exceptions to businesses seeking membership who are operating outside of the Hume and Greater Sunbury Boundaries will be decided on a case by case basis and referred to the Leadership Committee for consideration and endorsement.
- Businesses operating outside of the Hume and Greater Sunbury boundaries may need to provide information that demonstrates that they work within and support the Hume and / or the Greater Sunbury Region and its broader community.
- In the event that a business wishes to join the Sunranges Business Collective from outside the Hume or Greater Sunbury Region, they will be considered, however, dependant on the category, they will be subject to the following waiting period:

- One month in which the category is actively advertised within the Hume and Greater Sunbury Region to give local businesses the opportunity to join. If there is no interest within the region, the application will then go before the Leadership Committee for consideration and approval.
