

Sunranges *Business Collective*

Dear Visitor,

Welcome! Thanks for choosing to spend your morning with us. Please enjoy this shared time with likeminded business people.

Sunranges Business Collective was formed in October 2015 by local business owners who recognised the value of networks and support from other businesses. The group is focused on providing support, development and friendship, while seeking out business opportunities through referrals and joint ventures.

The Group is designed to benefit all our members through:

- . Developing qualified referrals
- . Encouraging opportunities for joint ventures
- . Offering mutual support and friendship
- . Providing business education and sharing knowledge

The aim is to foster long term relationships and make networking both enjoyable and profitable.

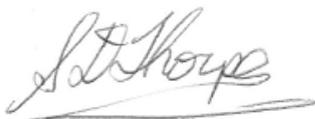

In your visitors pack you will find a meeting agenda to help you learn about the format of our meetings, guidelines, some helpful information and a membership application should you wish to join us.

We meet each fortnight on a Friday from 8:30 – 10 am to share a coffee while encouraging business referrals and partnerships. Outside of our meetings, members are encouraged to meet one on one with other members to learn more about other businesses and develop stronger relationships.

This group is managed by a committee, which guides the group and takes care of the preparation and running of our meetings. The group funds belong to the members and are used to cover the running expenses and benefit the members. Fees are an affordable \$50 per quarter and do not include food or drink at our meeting venue.

We only allow one member per business category, ensuring the maximum return on investment for all members. Membership applications are reviewed by the committee and new members will be invoiced once an application has been reviewed and accepted.

If you think word of mouth is important to your business and you'd like to become part of a supportive local network, then this is the group for you! Please don't hesitate to talk to one of our committee members who will be happy to answer any questions you may have.

Chairman
